Delia Memorial School (Hip Wo)

Ha Yan Scholarship (2008-2009)

[Mission & Brief Introduction]
The scholarship, sponsored by Delia (Hip Wo), School Alumni as well as Parents-Teachers Association, aims at providing awards to students and supporting them to enrich their learning experience. This scholarship was set up as a memorial to doctor, Ms Cheng Ha-yan who died in 2003 at the time when she helped patients during the outbreak of Severe Acute Respiratory Syndrome (SARS). It is hoped that, through the scholarship, students are able to learn from Doctor Cheng and develop an attitude to serve the community and try their best in every aspect.

Through the guidance offered by the school, the students will have the opportunity to experience and plan the use of scholarship and prepare the evaluation report. In addition, the students will also become a member of the ‘Ha Yan Servant-Leader Training Programme’ to further develop their leadership skills (leader) and an attitude to serve the community (servant).
